**These are not just good, they are GREAT.**

These are the most profound posters I've ever seen. You may not "like" the guy, but you can't deny where his heart is and factually know what he HAS accomplished.

 FOR AMERICA

A photograph of President Donald Trump walking outdoors, wearing a dark suit, white shirt, and red tie. He is using a cane in his left hand. In the background, a person in a military-style uniform is visible.

" No country can  
long-lead the free world  
if it does not  
**protect its industries**  
and  
**care for its people**  
and  
**protect its borders.**"

—President Donald Trump

A photograph of Ronald Reagan shaking hands with Donald Trump. Reagan is on the left, wearing a dark suit and a white shirt with a dark tie. Trump is on the right, wearing a dark suit, a white shirt, and a dark bow tie. They are both smiling and looking at each other. In the background, several other men in suits are visible, some looking towards the two men shaking hands. The setting appears to be an indoor event, possibly a formal dinner or reception.

How can one person  
withstand this amount  
of unwarranted abuse  
and still function?

The answer is ~ God is  
with him.

“We will show the whole world how proud we are to be American.”

We face many challenges, but this is truly an exciting time to be alive.

The script is not yet written. We do not know what the page will read tomorrow, but for the first time in a long time, what we do know is that the pages will be authored by each of you.

You, the American people, will be in charge. Your voice, your desires, your hopes and aspirations, will never again fall on deaf ears – the forgotten men and women will not be forgotten anymore.
