

Not much has changed over 80 years

Too bad Wiley Post crashed his airplane and killed him and Will Rogers both way back in the 1930s.

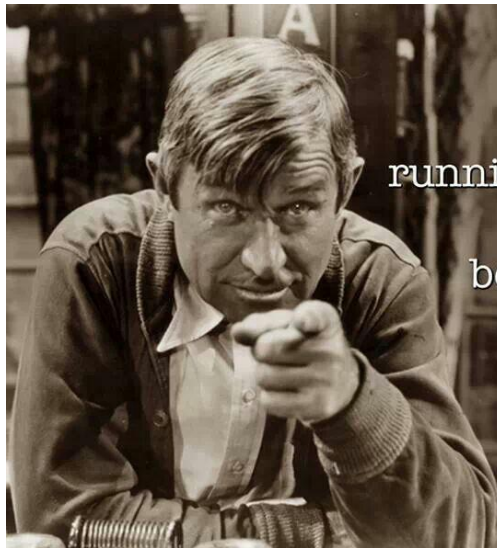

We'd still be getting Will Rogers' fine advice even though nothing's really changed in the last 80 years, just like these 17 of the best quotes ever made. Rogers was a Genius.

"There are three kinds of men. The one that learns by reading. The few who learn by observation. The rest of them have to pee on the electric fence for themselves."

There are men
running governments
who shouldn't
be allowed to play
with matches.
